

BFCU and you

March 2024

If it sounds too good to be true... It almost always is.

We know. We sound like a broken record. But it is worth mentioning again and again. If you are finding an amazing unbelievable deal online, lets say

- a T-Shirt for \$.57,
- a very hard to find summer bag that is sold out in stores everywhere for only \$10,
- a miracle cure to remove fine wrinkles on your face better than even the best photoshop guru could,
- a free item that has you agree to all terms and conditions and input a credit card before you can receive your item.
- Want to order a swing-set for your kiddos for \$5 and it's coming from an overseas retailer that has to ship it on a boat to you for free? No. It isn't.

There are many protections in place from Visa and Mastercard to keep you and your accounts safe. But we ask that you to continue to make smart, informed decisions. Especially when shopping online, social media included.

Not sure whether you are making the right decision? Call our office and ask. We would be happy to help you decide.

When you call, You might speak with Sarah!

She's been a member of our credit union for 20 years! She spent 9 years growing up in Montana to return to the Beaver Falls area roughly 2 years ago. We have had the privilege of working with her here at our office since early January. She's a fast learner with a creative spirit. When she isn't at work she enjoys art (drawing, painting and pottery), Italian food, and playing volley ball. Her dream vacation is camping in the mountains and her favorite animals are cats.

Join us in welcoming her to our team! You can reach her at sarah.a@bfcu.net.

Starting in April!

The Supervisory Committee recently distributed a notice to all members requesting that you verify the balances on your monthly statement that ends and includes March 31, 2024.
